

PROFESSIONAL EXPERIENCE

I'm a Full-Stack Developer, Web Designer and Image Editor with over 25 years of professional experience. Problem-solver and avid learner, I'm used to working with small and large teams across enterprise, government and third-sector. I take deadlines and delivery commitments very seriously.

Companies I worked at full-time and freelanced for include: [Duty-Free Dufry](#), [Eleva](#), [Fiocruz](#), [Farmabase](#), [Flamengo](#), [Log-In](#), [L'Oréal](#), [Mills](#), [Precision IT Inc](#) and [Travessa](#).

■ EXPERT KNOWLEDGE

Backend: Linux Ubuntu/Debian, Bash/Zsh, AWS/Azure/Linode/DigitalOcean, PHP and MySQL.

Frontend: JavaScript, HTML, CSS, Tailwind and jQuery.

WordPress: I've developed many complex systems based on the platform, creating APIs and integrating with LDAP, Active Directory, etc for large enterprises, along with themes and plugins.

WooCommerce: I've developed several Payment Gateways, integrating with third-party APIs, along with plugins and themes.

Still and motion image: Photoshop and Final Cut Pro.

■ FAMILIARITY

Backend: Linux Fedora/CentOS.

Backend Frameworks: Laravel, CakePHP.

Frontend Frameworks/Libraries: React and Vue.js.

Still and motion image: Illustrator, InDesign, Premiere and After Effects
